**Subject:** In re Valsartan - Third Party Subpoenas

Good morning,

In connection with the third-party subpoenas you have served or intend to serve, can you identify as to all of the third parties (1) which entities or individuals have served written responses or objections; and, (2) which entities or individuals, if any, have produced documents. This information is critical for the Court's consideration of the omnibus motion due tomorrow and we would appreciate your prompt response.

Thank you,

Jovy
